

Application Guide

1. After base manicure is completed, before applying chrome pigment apply one thin coat of non-wipe top coat and cure for 60 seconds.
2. Tip small amount of loose powder onto your applicator tool, then rub over a cured top coat until mirror chrome shine effect is achieved.
3. Apply another layer of top coat to seal in the chrome and cure for 60 seconds using TGB Light the Way lamp.
4. Wash hands with soap and water to remove any excess chrome powder residue.
